“The Vintage” honors the immigrant workers from China and Europe who helped build Buena Vista’s legacy. In Paul Frenzeny’s “The Vintage in California,” they are depicted during harvest, pressing grapes and tending fermentations. These pioneers planted Buena Vista’s first great vineyards and carved some of California’s earliest wine cellars.

#### THE VINTAGE

The 2019 growing season in Napa Valley was defined by a long, steady progression from bud break through harvest, allowing fruit to ripen slowly and evenly across the valley. Ample winter rainfall supported healthy vine development, while a warm but temperate summer provided ideal conditions for flavor concentration without excessive heat stress.

#### CONVERSATIONS WITH THE WINEMAKER

This blend unites fruit from two renowned Napa Valley vineyard sites, each contributing its own distinct character. Fruit from St. Helena lends concentration, layered dark fruit, and impressive depth, while Yountville offers freshness, finesse, and a smooth, refined mouthfeel.

The intent behind the blend was to highlight the individuality of each vineyard while creating a seamless, integrated wine. Thoughtful vinification and élevage maintained clarity, balance, and structure, resulting in a wine that combines richness with elegance and finishes with poise and complexity.

#### WINE PROFILE

Richly textured and impeccably balanced, this Napa Valley Cabernet Sauvignon opens with expressive layers of blackberry, black currant, and dark cherry accented by hints of red fruit and subtle spice. Nuances of cedar, tobacco leaf, and supple leather emerge as the wine unfolds, adding dimension and sophistication alongside polished oak integration. Firm yet elegant tannins support a full, concentrated palate, leading to a lingering finish marked by depth, freshness, and remarkable aging potential.
