CHATEAU BUENA VISTA

CHARDONNAY

CARNEROS
VINTAGE 2022

Founded in 1857, Buena Vista is California's first premium winery. Chateau Buena Vista honors the indelible presence of Buena Vista Winery as a icon of California winemaking and innovation. This luscious chardonnay beautifully showcases the terroir of Carneros. The cooler climate and extended hangtime is synonymous with this region.

WINEMAKER'S NOTES

The 2022 vintage was shaped by a dramatic shift in weather patterns. Following several years of drought, the vineyards received a welcome dose of winter rain, setting the stage for a promising season. As the rain tapered off by March, dry conditions took hold once again. Spring ushered in cooler, more moderate temperatures, and bud break began in March, slightly earlier than average. A burst of extreme heat in September, with several days in the triple digits, quickly advanced ripening and led to an accelerated harvest across many varietals.

TASTING NOTES

This 2022 Chardonnay entices with an inviting embrace of sun-ripened nectarine, zesty Meyer lemon, and a gentle whisper of jasmine. The palate reveals a harmonious medley of flavors, where vibrant green apple and succulent stone fruit shine at the forefront, and hints of golden honey and a touch of caramelized vanilla come through the finish. This Chardonnay has perfect acidity, a nice freshness and remarkable flavor and texture.
