VINICULTURAL SOCIETY

The Buena Vista Vinicultural Society, formed in 1863 by the winery's founder, Count Agoston Haraszthy to further improve its winemaking prowess and expand its vineyards, has been restored as a collection of unique small-production wines that honor the winery's pioneering spirit and contribution to California winemaking. The Vinicultural Society explores clonal selections, varietals and the incredible terroir of Northern California.

WINEMAKER'S NOTES

The grapes for the 2023 Charbono were harvested in the very early morning of October 16, 2023. Within the Buena Vista cellars this wine was fermented in our open top fermenters with the native yeast. This wine was then aged in 100% French Oak with 30% new for 14 months.

TASTING NOTES

The 2023 Charbono opens with captivating aromas of juicy plum, ripe dark cherries, and a whisper of roasted almond. On the palate, this wine dazzles with its vibrant and mouthwatering profile, featuring bursts of luscious blackberries, enticing blueberries, and a subtle hint of savory mushroom. This elegantly structured, medium-bodied red boasts a bright acidity, perfectly balanced by smooth, well-integrated tannins, culminating in a lingering, flavor-packed finish.
