ELEANORA'S CHARDONNAY

NORTH COAST
VINTAGE 2024

The Buena Vista Vinicultural Society, formed in 1863 by the winery's founder, Count Agoston Haraszthy to further improve its winemaking prowess and expand its vineyards, has been restored as a collection of unique small-production wines that honor the winery's pioneering spirit and contribution to California winemaking. The Vinicultural Society explores clonal selections, varietals and the incredible terroir of Northern California.

WINEMAKER'S NOTES

Named for Count Haraszthy's wife, Eleanora's Selection Chardonnay is harvested from vineyards across the North Coast. Eleanora's is a vibrant North Coast blend that balances energy and richness. Hawk Hill in the far southwest Russian River Valley provides late-ripening fruit with mineral depth, spice, and exceptional natural acidity. Ferrington Vineyard in Anderson Valley contributes purity and bright linearity, while Cornerstone Vineyard in the Russian River Valley adds subtle richness and roundness for overall balance. The grapes were hand picked in the early morning of September 20 and were whole cluster pressed into French oak barrels, 15% new, aged on the lies for 17 months before bottling on April 1, 2026.

TASTING NOTES

This polished, expressive wine reveals vibrant notes of ripe pear and citrus blossom, accented by hints of golden apple and sweet baking spice. A refreshing vein of acidity lends balance and precision, while the supple, layered texture carries seamlessly across the palate. Nuances of crème fraîche and toasted hazelnut emerge on the finish, which lingers with remarkable depth and elegance.
